 Grey

 Engine Capacity
 500

 RefCode
 ag-46856

Even at standstill this bike's classic gilt-edged styling is impossible to miss. Short one-piece handlebars and a sculpted fuel tank provide a compelling urge to hop on board. Double-beam chassis optimises rigidity and perfectly frames the engine.

Powered by a lightweight and reliable, 487cc parallel-twin engine, both models are eligible for the Learner Approved Motorcycle Scheme (LAMS), governing motorcycle usage by learner riders in New South Wales, Victoria, South Australia, Queensland, A.C.T., Tasmania and the Northern Territory
